

Dt: 05.12.2022

NOTICE

We are delighted to announce that like previous years, Dr. B.C. Roy College of Pharmacy & Allied Health Sciences, Durgapur, WB, India is again going to conduct the Add-on Course on “**Computational Drug Design using QSAR/Cheminformatics and Bioinformatics**” for the Academic year 2022-23. The Add on course will be a hands-on workshop and will be conducted on both theoretical and practical basis. The theoretical demonstration will be in smart classroom based course delivery while hands on practice sessions would be performed in computer laboratory.

The course will commence from 21st February, 2023 and will be conducted every week on Tuesday and Thursday. The class timing is 6:00-8:00 pm on each assigned day. The total course would be conducted for M. Pharm 1st year students for a total duration of 08 weeks and will be free of cost. Certificates would be issued upon completion of the course based on attendance greater than or equal to 85%.

The soft copy of the Enrolment/ Registration form is available with the Course Coordinator Dr. Souvik Basak, Associate Professor and Divisional-In-Charge, Department of Pharmaceutical Chemistry. Interested students are requested to submit the filled up printed copy of the registration form after duly signing the form.

The deadline of Registration is 11th January, 2023.

NOTICE

In persuasion of the previous notice dated 05.12.2023 regarding resuming the Add-on course "Computational Drug Design using QSAR/Cheminformatics and Bioinformatics" for the Academic year 2022-23, it has been noticed that only 13 students (M. Pharm 1st year) have submitted their enrolment form for getting admission of the course. As mentioned earlier, the course will commence from 21st February, 2023 and will be conducted every week on Tuesday and Thursday, 6:00-8:00 pm.

We again want to mention that this course would be of great opportunity for the students (M. Pharm 1st year for this batch) since this course would let the students learn various CADD and Bioinformatics related techniques together with problem solutions by theoretical as well as hands-on basis. Certificates of accomplishment would also be provided after due completion of the course that would be of great help for students for their future jobs as well as higher studies.

Hence we encourage the M. Pharm 1st year students to enrol more in this course and avail this great opportunity for their career purpose.

The soft copy of the Enrolment/ Registration form is still available with the Course Coordinator Dr. Souvik Basak, Associate Professor and Divisional-In-Charge, Department of Pharmaceutical Chemistry. Interested students, as earlier, are requested to submit the filled up printed copy of the registration form after duly signing the form.

The extended deadline of Registration is 20th January, 2023.

NOTICE

In persuasion of the previous notice dated 11.01.2023 regarding resuming the Add-on course "Computational Drug Design using QSAR/Cheminformatics and Bioinformatics" for the Academic year 2022-23, we are pleased that total 23 students (M. Pharm 1st year) have submitted their enrolment form till now. As mentioned earlier, the course will commence from 21st February, 2023 and will be conducted every week on Tuesday and Thursday, 6:00-8:00 pm. As a final call, we are extending the last round of registration upto 31.01.2023 to accommodate more students of target batch and help them to avail the opportunities of enrolling in the course.

Please collect the soft copy of the Enrolment/ Registration form from the Course Coordinator Dr. Souvik Basak, Associate Professor and Divisional-In-Charge, Department of Pharmaceutical Chemistry. You are requested to submit the filled up printed copy of the registration form to the course coordinator after duly signing the form.

The final deadline of Registration is 31st January, 2023. The final enrolment/ registration of all the entrants will be duly approved by the undersigned, and once done, no more enrolment would be entertained.
