

**ACTION TAKEN ON COURSE FEEDBACK (2022-23)**

- 1) To sustain the level of attainment achieved, varieties of modification in teaching courses had introduced. Students in general were congratulated for attaining highest possible course attainment.
- 2) It is advised to the faculty of each course to encourage the students to put their feedback for each of the courses which he or she had taught.
- 3) Instructions are given to the respected Divisional in Charges (DICs) to review the teaching methods in order to improve the attainment level. Special emphases are given to those courses whose attainment level dropped below 3. Faculty are advised to maintain the course attainment for next year courses.
