ACTIONS TAKEN ON COURSE FEEDBACK (2018-19)

1) Students in general were congratulated for attaining highest possible course attainment in 93.7% courses and specifically for those courses where satisfaction level was below 60% (3 number of courses)

2) Each of the faculty was communicated about the course feedback which he or she taught and those courses fallen below the 60% student satisfaction level were counselled especially Director, Principal and the respected Divisional in Charges (DICs).

3) As the current syllabus (introduced in 2017-18) is solely designed by the Pharmacy Council of India (PCI), it was felt that communication about the course feedback to the affiliating University may not be required.
