Agenda:

1. Planning of technical fest.

Resolution: The following points were discussed by the committee members.

- As per the proposed date in the earlier meeting, it was finalized in the academic calendar that the Annual Technical Fest, 2019-2020 will be organized in the second week of February tentatively between February 11th-13th.
- In this regard the committee members discussed about proper planning and execution of the program.
- It was suggested by the members that we can propose to the higher authority for organizing a plethora of inter-college events which will boost all students for participation.
- It was decided that the sub-committee division and division of responsibilities will be executed after the ensuing NBA inspection.
